The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I respectfully request your consideration for the Fiscal Year 2027 funding in the amount of \$3,000,000 for The Police Technology Project for the City of Bunnell as a community project funding request. The intended recipient is The Bunnell Police Department, located at 2400 Commerce Pkwy, Bunnell, FL 32110.

The project would be valuable to use taxpayer funds because The Police Technology Platform will allow the Bunnell Police Department to modernize investigative workflows and will serve as a force-multiplier providing BPD with the capacity to rapidly identify criminal networks, track suspects, and coordinate investigations across jurisdictions.

This project has a federal nexus because the requested funding is consistent with the purposes authorized under 34 U.S.C. #10152, the Edward Byrne Memorial Justice Assistance Grant (JAG) program, which allows funding for law enforcement programs and law enforcement technology that support crime prevention and public safety.

I hereby certify that neither I nor any member of my immediate family has a financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Randy A. Fine".
