The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I respectfully request your consideration for the Fiscal Year 2027 funding in the amount of \$295,429.56 for The Public Safety Camera Expansion Project for the City of Eustis as a community project funding request. The intended recipient is City of Eustis, located at 10, North Grove Street, Eustis, FL 32727.

The project would be valuable to use taxpayer funds because it will improve key operational areas, public spaces, and municipal facilities to provide enhanced monitoring for public safety, strengthen infrastructure protection, and support law enforcement response capabilities for the constituents of FL-06 District, residents, and visitors of the City of Eustis.

This project has a federal nexus because the requested funding is consistent with the purposes authorized under 34 U.S.C. #10152, the Edward Byrne Memorial Justice Assistance Grant (JAG) program, which allows funding for law enforcement programs and law enforcement technology that support crime prevention and public safety.

I hereby certify that neither I nor any member of my immediate family has a financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Randy A. Fine".

Representative, FL - 06
