The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I respectfully request your consideration for the Fiscal Year 2027 funding in the amount of \$2,000,000 for the City of Bunnell Roadway Infrastructure Improvement Project as a community project funding request. The intended recipient is The City of Bunnell, located at 2400 Commerce Pkwy, Bunnell, Florida 32110.

The use of taxpayer funds would be valuable for this project because it will benefit both - local residents and visitors of Florida. More specifically, the federal funding will help the City of Bunnell to restore local roads and infrastructure. This support will enhance safety and quality of life for residents, businesses, and visitors by reducing accidents, infrastructure damage, and vehicle repair costs. Improved roads can also boost stormwater drainage and encourage walking and cycling.

his project has a federal nexus because the requested funding is consistent with the purposes authorized under 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I hereby certify that neither I nor any member of my immediate family has a financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Randy A. Fine".
