Dear Chairman Harris and Ranking Member Bishop,

I respectfully request your consideration for funding for HorsePlay Therapy Center in fiscal year 2026, a 501(c)(3) nonprofit rural medical clinic, the address is 5859 A County Road 214, Elkton, FL, 32092. The Federal funds will be used to complete the Equine-Assisted Rehabilitation Center for Children and Veterans, including the acquisition of property, design, construction, and CEI of facility components. The Center provides critical services for rural communities, including physical, occupational, and speech therapy to children with special needs, as well as mental health support for veterans suffering from PTSD.

Due to limited operational space, the Center has been unable to meet the full demand for its services, leaving many children and veterans still awaiting the critical services they need.

This project has a federal nexus because the requested funding is consistent with the purposes authorized under Section 306 of the Consolidated Farm and Rural Development Act (7 U.S.C. § 1926(a)) for the U.S. Department of Agriculture's Rural Community Facilities Program.

I hereby certify that neither I nor any member of my immediate family has a financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Randy A. Fine".
