The Honorable Tom Cole  
Chairman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro

I respectfully request your consideration for the Fiscal Year 2027 funding in the amount of \$176,209.44 for the Old Daytona Road Roadway Reconstruction Project as a community project funding request. The entity to receive funding for this project is the City of DeLand, located at 120 S. Florida Avenue, DeLand, Florida, 32720. The funding would be used for the Old Daytona Road Roadway Reconstruction Project, a reconstruction and improvement of the roadway that is designed to enhance traffic safety, improve accessibility, and strengthen the overall transportation network serving this area. The project is an appropriate use of taxpayer funds because investing in the rehabilitation of Old Daytona Road will enable the city to address existing infrastructure deficiencies while supporting the continued economic activity and mobility associated with the nearby airport and surrounding commercial and residential areas.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Randy Fine".
